

## **School's Out for the Summer!!! Summer 2024 Office Closures:**

**Monday June 24 – Friday June 28: Emergency Closure / Plumbing Repair**  
Unfortunately, fixing the cracked pipe in the back did not resolve our plumbing issues, and the office needs to close to dig up the concrete and fix a bowed pipe.

**Thursday July 4 – Friday July 5: Office closed / July 4<sup>th</sup> Holiday Weekend**

**Friday August 30 – Monday September 2: Office closed / Labor Day**

## **Clinical Updates:**

### **Dr Dulac Invited to Teach at the International Implant Institute!**

Dr Dulac has been invited to be on faculty at the International Implant Institute. He's been a leader in implant dentistry for a number of years and has been invited to teach and be on faculty at the International Implant Institute. This will not take away from his clinical hours at the practice. <http://intlimplantinstitute.com/>
